

# Check Cloud - Call Transfer

1.) To transfer a call, click on  button and then the Transfer arrow symbol 

2.) Find the contact that you need by typing in their name. Click the call button, this will INTRODUCE the call (just clicking on the transfer arrow symbol will BLIND TRANSFER the call).

3.) When your contact answers the call, the CONNECT button will appear; click it, both calls will disappear and the transfer is complete.
